Lottery is open to the public. You must be at least 19 years old to play.

You must complete a one-time registration ticket and provide contact information.

A specific number will remain in play until that number owner/holder cancels their number.

The player of the number must cancel their number in writing to have it removed from play.
Please note: the cancellation letter must be brought to the shelter and will include your 50/50 number, your name, and telephone number.

Restigouche County SPCA will review the assigned numbers each month and will remove numbers that have been inactive for an extended period, no longer than 1 year.
