In Memoriam Cards

Often, families of a lost loved one, who has been a supporter of the Restigouche SPCA, will request that donations be made to our shelter in that person's name.

We provide an 'In Memoriam' card for you to complete for the family, letting them know you have made a donation for their loved one and which they can keep.

Some funeral homes will have the cards available for you or the cards can also be picked up at our Shelter, when you make the donation.

'In Memoriam' cards are available in English and/or French.

You can contact us with any questions at 506-684-4396.
