

The Restigouche County SPCA sells Royal Canin Pet Foods.

As a non-profit organization, the net proceeds from your purchase of Royal Canin products stays in our shelter for operations. Your purchase is a great way to 'donate' to the shelter so we can keep sheltering & re-homing unwanted animals in Restigouche County.

Consider feeding your pet Royal Canin and buying it here, at the Shelter so your purchase goes towards saving more animals!

Royal Canin offers a complete line of breed specific formulas that deliver the health nutrition necessary to meet the needs of dogs and cats based on size, age, lifestyle and physiological stage.

Click the logo to check out their website for more details to choose the best formula for your dog or cat:

Click on the Facebook logo below to see the selections available at our shelter today, posted on our Facebook page.

We can also order your specific product, if you do not see it listed at our shelter right now. Just give us a call! 684-4396.

Facebook Album "Royal Canin Retail Food":

We would also like to remind all recent adopters that inside your 'Adoption Kit', you will have received a coupon which you can use for your next purchase of Royal Canin foods at our Shelter.
